Global Compact Network Malaysia & Brunei

We are the official local network to the United Nations Global Compact (UNGC).

The UN Global Compact, a special initiative of the UN Secretary-General, is a call to companies everywhere to align their operations and strategies with Ten Principles in the areas of human rights, labour, environment and anti-corruption.

As the leading voice on business sustainability, we drive multi-stakeholder action to forge a more sustainable future, grounded in the Ten Principles of the United Nations Global Compact and the UN Sustainable Development Goals (SDGs).

Through various programmes, tools, and partnerships, we advance the stewardship of sustainable business practices and the country's national agenda of becoming a regional sustainable business hub.

ACCELERATING AND DRIVING BUSINESS SUSTAINABILITY LOCALLY

HEAR WHAT OUR PARTICIPANTS SAY

At Maybank, sustainability is about the pursuit of inclusive economic growth that needs to be balanced by safeguarding the environment for our future generations. In this regard and in being a member of UNGCMYB, the support from the team has been very helpful in helping us with our sustainability journey, and in creating systemic change towards contributing to the goals of the UN SDGs.

- **Shahril Azuar Jimin,**
*Chief Sustainability Officer,
Maybank*

One of the most notable highlights is the networking opportunity with other UNGC participants. This gave us the ability to form partnerships with a range of stakeholders. Currently, Duopharma Biotech Berhad is using the UNGC online library as well as the UNGC Academy to enhance our workforce's sustainability knowledge and understanding.

- **Ananda Rajah,**
*General Manager of Sustainability,
Engineering and Project, Duopharma
Biotech Berhad*

UNGCMYB has provided us a platform for networking and access to international best practices, emerging trends & solutions in our sustainability journey.

- **Mohammad Irwan Aman,**
*Head of Sustainability Division,
Sarawak Energy Berhad*

UNGCMYB shares best and latest updates in sustainability solutions. We enjoy the best practice guidance through various partnerships, tools, resources, local network support and training.

- **Chow Wing Kah,**
*General Manager, Zofar Mechanical
& Electrical Engineering Sdn Bhd
(SME)*

IJM joined the UNGC in 2021 as part of our commitment to align our business values to the Ten Principles and support the realisation of the SDGs. Since then, IJM has partnered the UNGCMYB in piloting the ACCESS programme to green our supply chain, incorporated the UNGC Academy in our training syllabus and have been connected with other UNGC members to accelerate our sustainability progress. The UNGCMYB team has been an outstanding partner and we look forward to more positive outcomes in the future.

- **Shane Guha Thakurta,**
*General Manager of IR &
Sustainability, IJM Corporation
Berhad*

Since joining the UNGC in 2021, we have found tremendous support in the constant active discourse, knowledge sharing and accessibility to practical tools and programmes, which has given us immense impetus to accelerate capacity building throughout our organization, advancing our sustainability agenda. The sense of solidarity and camaraderie from UNGCMYB's network of members is infectious and an absolute asset to power greater sustainability ambition and climate action amongst corporate Malaysia.

- **Chuah Sze Phing,**
*Group Chief Sustainability Officer &
Head of Group Marketing and
Communications, Kenanga
Investment Bank Berhad*

THE TEN PRINCIPLES OF THE UNITED NATIONS GLOBAL COMPACT

HUMAN RIGHTS

- 1 Businesses should support and respect the protection of internationally proclaimed human rights; and
- 2 make sure that they are not complicit in human rights abuses.

LABOUR

- 3 Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;
- 4 the elimination of all forms of forced and compulsory labour;
- 5 the effective abolition of child labour; and
- 6 the elimination of discrimination in respect of employment and occupation.

ENVIRONMENT

- 7 Businesses should support a precautionary approach to environmental challenges;
- 8 undertake initiatives to promote greater environmental responsibility; and
- 9 encourage the development and diffusion of environmentally friendly technologies.

ANTI-CORRUPTION

- 10 Businesses should work against corruption in all its forms, including extortion and bribery.
